Arturo De Aguilar, MA, MDIV - Director of Human Resources
is the recipient of the

Employee Spotlight for the Month of July 2021!

Arturo De Aguilar began working with Richmond County Hospice in the Summer of 2012. He has accomplished 9+ years with the company serving as HR Director; I also oversee Contracts, and the Maintenance department

Tell us a little bit about your Family: My family is very diverse and open: I'm from Mexico from a Spanish dad, my wife is from California, 2 of my kids were born in a third country and the youngest one in Florida. Ben, my oldest, is a Senior at RHS and my twins are going to the NGA. We try to get involved in as many activities as possible and I always instill in my children the desire to serve and help our community. We are involved in Scouts, 4H, Lions and Rotary Clubs and like hosting exchange students. My household can be confused with a stash house due to the traffic in and out, but having 3 teens, a playroom and a pool makes you feel like the whole town is in your house at all times; But I would say its more like a circus: there are always: people, animals, music, and lot of funny stories!

What are three words you would use to describe Richmond County Hospice? Unique, Caring and Very compassionate

How do you balance your career at Richmond County Hospice and Family?

I come from a family of performers, and one of the feats I used to perform was juggling, so that's pretty much what I do every day! I love staying busy and I try to involve the family with work activities whenever is possible, so we stay connected and in touch. Above all I try not to stress, life is too short to live stressed.

Before working at Richmond County Hospice, what was the most unusual or interesting job you've ever had?

I started working since I was 9; I worked in a market, a drycleaner, a factory, as a sales man, a nursery, a farm (training horses), picking tomatoes and okra (at which I sucked), construction, in a restaurant, and others; but the most fun and interesting was when I was a comedic magician for a circus and in private parties: we traveled, had fun and ate cake almost every day!

Do you have a favorite quote? From the Greek statesman Pericles: What we leave behind is not what is engraved in stone monuments, but what is woven into the lives of others.

What is the name of your favorite restaurant and why?

I don't have a specific place; I love international cuisine. My favorite is Mediterranean food. Food brings you closer to other cultures and helps you to learn new flavors, and to be tolerant to the differences.

What are three words that best describe who you are? Loyal, Simple and Transparent: what you see is what you get.

What is your biggest pet peeve? People not following up on commitments. I believe the only thing we really own or have, is our own word and if one doesn't honor it, it has no value.

Where is the best place you have traveled to and why? Greece! because it was a place I always dreamt of visiting and I went on my honeymoon, plus I was with the person I love the most!

What is your favorite tv show or movie you love to watch? Favorite movie: Forrest Gump; it's the only movie I've ever seen more than once!

What kinds of hobbies and interests do you have outside of work? I'm a bathroom reader! I love to travel, and I love listening to all kinds of music. I like to do little projects too, like fixing or constructing things.

*Thank you Arturo, for all your hard work and dedication to Richmond County Hospice.
We truly appreciate all that you do, and we are so blessed to have you on our RCH Team!!*
