Light of Life

Richmond County Hospice hosted the spring Light of Life Memorial Celebration on Thursday, May 24th.

The ceremony took place at the Church of God of Prophecy in Rockingham. Remarks and opening prayer were offered by Pastor Steven Gilmer, and words of encouragement were brought by our hospice chaplain, Chris Thornton. Special music included prelude by Linda Hatcher, two harp solos by Sharon Hutchinson, and a song, "Precious Memories," by Joe Grooms in loving memory of his grandmother, Sylvia Grooms. The evening of remembrance was complimented by the lighting of the hospice unity candle and congregational candles followed by the Reading of Names. The service concluded with prayer and the blessing of the meal. Our patients' families and staff of Richmond County Hospice enjoyed a delicious meal prepared by Rick's Catering of Laurinburg.

The purpose of our Light of Life Memorial Celebration is to cherish the memory of our loved ones while reminding us that we are not alone on our journey of grief. We want to thank Pastor Steven Gilmer, the Roller family, and members of Church of God of Prophecy for being gracious hosts of this special service. We also want to thank Farm Bureau of Rockingham for helping to make the evening possible through their support and sponsorship.

RICHMOND COUNTY HOSPICE RELAY FOR LIFE

On May 4, 2018, Richmond County Hospice participated in RELAY FOR LIFE at the Cole Auditorium. Shannon Huff and Mary Martha Warnock were co-captains for our Hospice team. Team members included: Stephanie Thornton, Lori Jenkins, Sandy Black, Faith Jones, Teri McDonald, Lisa O'Neal, Hollie Smith, Chris Thornton, Nic Wilkes, Arturo De Aguilar, Buddy Edwards, Linda Russell, Kristina Leyden, and Julie Woody. We also received help from various other staff members and volunteers who assisted with fundraising and donating items for this event.

There were a total of 25 teams registered for this year's RELAY FOR LIFE event in Richmond County, and a total of \$55,061.54 was raised overall. Richmond County Hospice ranked 4th place in fundraising by raising a total of \$4,168.00. We also won "Best Campsite" for the fourth year in a row thanks to Nic Wilkes and his creativity. We would like to thank our staff, volunteers, and the community for supporting Richmond County Hospice – "Your Hometown Hospice."

National Nurses Week

*Compassionate Care
Is
Our Calling*

Hospice Care involves a team approach. Dignity, respect, comfort, and quality are the foundations of the Richmond County Hospice Team. Our Nurses and Hospice Aides serve as vital members of our team as they provide frequent, and direct hands-on care to our patients. Hospice Nurses work closely with physicians and are actively involved in developing and following a plan of care which is tailored to the patient's individual need for pain management and symptom relief. Hospice Aides work under the supervision of the Registered Nurse to provide assistance with personal care for our patients. Richmond County Hospice is confident in saying that our nurses and aides consistently provide compassionate quality end-of-life care. The week of May 6-12 was recognized as National Nurses week, and the week of June 9-16 was recognized as Nurse Assistant week. We are thankful for our nurses and aides and celebrate the important work they do.

National Nurses Week

Hospice Haven is our Inpatient Facility for our acutely ill patients. It also serves as a place for our patients to come so that their caregiver can receive a little time to themselves. Half of our patients come for treatment or a Respite stay and then return home. The other half come for treatment as they transition on to their Heavenly home. Care during these times is greatly dependent on our nurses and aides. Regardless of the outcome, it is difficult for patients and families to accept the need for the Haven. Once here, their anxiety melts away due to the awesome care and open arms they receive from our staff.

At Hospice Haven, we have four full time RNs (including the Director of Inpatient care), two part time RNs, one PRN RN, and one full time LPN. A RN is on duty around the clock. They manage our patient's care while at the Haven. There are six full time NAs. Their title at the Haven is Patient Care Technician. From daily bathing to providing a home cooked meal to our patients, our PCTs are on top of it. Our nurses and aides provide exceptional care for our patients and their families. They pride themselves in maintaining and managing our patient's comfort as well as easing the family's worry while they providing clinical care, as well as a listening ear or a shoulder to lean on. They like to take the extra steps to "wow" all of our guests. It takes a great deal of compassion and understanding to work in this field. All of the nurses and aides across our entire company encompass these qualities.

We have the best team anyone could ask for! Nurse's Week was recognized May 6-12, 2018, and Nursing Assistant's Week -June 10-17, 2018. However, as a company, we celebrate everyone and their importance in the month of November. During November, we join as a Team and show appreciation for each other as well as taking time to reflect on the multiple roles that are required to take the best care of our patients. Thanks to all of our nurses and aides for your compassionate care and diligent work!!! You ladies ROCK!!

A Special
THANK YOU

Being a non-profit organization means that we rely on donations from the community in order for us to keep our doors open and remain in business. However, there are times where we receive donations that are given not to help the bottom line but to inspire, show love, and provide a touch of compassion. In the last quarter, we received two donations that have done just that.

A patient and his family have graciously donated six floor lamps, one for each of the patient rooms at the Inpatient Unit. After spending time at the inpatient unit, they recognized a need as the patient was not able to read his Bible without more lighting. Noticing that their loved one could not see adequately, the family felt that maybe others may also have the same hindrance. In response to that need, they wanted to ensure that each patient room at the Haven had more than enough lighting for the patient and their families. These lamps are a beautiful addition to each room!

Several months ago, our Chaplain began sorting through the idea to have miniature crosses for those patients who wanted one so that they could pray and carry/hold a cross as they walked this last journey. This was also thought to be something for the families to keep after their passing, which they would have as a lasting memory of their loved one. Without hesitation, Freedom Baptist Church purchased and donated handheld prayer crosses. Each cross is made from Olive Wood from Bethlehem, is two inches tall, and comes with a certificate of origin and the Lord's Prayer.

We want to offer a sincere thank you for these donations. Not only do donations such as these improve the quality of care that is provided to our patients, but also show an outward appreciation for the dedication that our agency strives to provide. Richmond County Hospice, Inc., would not be nearly as successful if it were not for the staff who provide quality care and the community for their continued support of our agency, our staff, and our mission.

Chaplain's Corner

As some of you know, our bi-annual Light of Life Memorial services was held on May 24th.

As I started thinking about what to write this month, this service is still fresh on my mind. Light of Life is a time where the families of our past patients come to honor their loved ones, but it's also a time for us, as staff of Richmond County Hospice to remember the time that we shared with them. I had the honor of speaking at our most recent Light of Life service; and as I was looking out, I could see the grief in the families and staff. I shared with them some of the things I have experienced in my own life and as a chaplain for hospice. I want to share some ways that we can help others deal with their grief, in hopes that God will use this information to help someone during their time of sorrow.

The Bible says, "Blessed be the God ... of all comfort, who comforts us in all our tribulation, that we may be able to comfort those who are in any trouble, with the comfort with which we ourselves are comforted by God" ([2 Corinthians 1:3-4](#)).

A silver lining in sorrow's dark cloud is that God can use our experiences to reach out to others with compassion and comfort. Everyone grieves differently – depending on personality, religious beliefs, maturity, emotional stability, and cultural traditions. Here are some general counseling guidelines:

- Ask God for guidance about when to speak and what to say.
- Encourage the bereaved person to share his or her feelings, then be a good listener and don't judge what is said. [Romans 12:15](#) says, "Weep with those who weep."
- Avoid judging how you think someone should feel. Let the person feel sorrow without implying that he or she should "cheer up" or "be joyful in the Lord," as this could give the impression you are questioning the person's spirituality.
- Don't push or preach, but if the person indicates an openness, pray and share meaningful Scriptures.
- Do simple things without being asked, such as bringing a meal or mowing the lawn.

Grief will visit our lives many times because we love others, but the Lord promises to be with us forever even in the midst of our darkest hours. If you or someone you know is having a difficult time dealing with their grief, please contact us at Richmond County Hospice. We offer free support to the community! God bless you all!

How To Donate To Hospice

MAKE A DONATION

There are several ways to contribute to your hometown hospice. You can donate your time by visiting patients, helping around the offices, helping during special events, in-kind gifts from our Wish List, or sending monetary contributions. Monetary donations may be given in the following ways:

1. Send a check with your donation by mail to our main address
2. Call directly to our office and make a credit card contribution
3. Visit our web site: www.richmondcountyhospice.com under the tab *GIVE*.

You may donate on behalf of someone, in memory, or in honor of a loved one, friend, neighbor, member of your church, or an employee. You may also contribute out of the goodness of your heart.

*Contributions are welcomed towards special projects such as our **BRICK FUNDRAISING** by buying bricks to help build our “Walk to Remember” and the “Veterans Wall.” More information on this project may be found on our web site. All the funds collected through these projects are used directly and exclusively to benefit current and future patients under our care.*
