All of our volunteers who are part of our Richmond County Hospice Family Their gift of time and dedication makes our organization the best "Home Town Hospice" around!

Freedom Baptist Church Gives Back

Freedom Baptist Church offers an outreach community program for different organizations, and we, Richmond County Hospice, have been chosen to be their point of interest for the next year. They are very appreciative of our missions and want to give back to us for all that we do for the community.

The church has a 10-10-10 program where each member gives \$10 on the 10th of the month. The members then take that day to fast and pray.

There will be donations delivered to the Haven twice monthly. The first donation is, of course, on the 10th. Bill and Sandy Hollon are the ambassadors for this wonderful program. They are planning to have a cook out for us on July 29th on our grounds.

Further details regarding times and exact locations will be later disclosed. This is an awesome opportunity for us. A huge thanks to Freedom Baptist and to Bill and Sandy who directs the program.

Stephanie Thornton, Bill Hollon, Sandy Hollon, and Hollie Smith

Wishing Well Program

In the 2007 hit movie, *The Bucket List*, two terminally ill patients (Jack Nicholson and Morgan Freeman) set out on an adventure to accomplish several tasks before they die. Their journey is marked by the fulfillment of many dreams.

Patients facing terminal illnesses may have unrealized wishes they would like to achieve. In response to this need and in an effort to help patients achieve more peace, we have created the “Wishing Well” program.

This program is designed to assist with granting final wishes for our patients. Developed in April of this year, this program is supported solely through donations and fundraisers. A yard sale was held in May, 2016, to support this program, resulting in over \$600.00 being raised. Eligible individuals are identified by a care team member and referred to the Wishing Well Committee for review.

Wishes are granted based upon policy guidelines and on a case-by-case basis. “As your hometown hospice provider, we are excited about this new opportunity,” says CEO, Kristina Leyden.

Nurses Week and Hospice Aide Week

Hospice Care involves a team approach. Dignity, respect, comfort, and quality are the foundations of the Richmond County Hospice Team. Our Nurses and Hospice Aides serve as vital members of our team as they provide frequent, direct, hands-on care to our patients. Hospice Nurses work closely with physicians and are actively involved in developing and following a plan of care which is tailored to the patient's individual need for pain management and symptom relief. Hospice Aides work under the supervision of the Registered Nurse to provide assistance with personal care for our patients. Richmond County Hospice is confident in saying that our nurses and aides consistently provide compassionate, quality, end-of-life care. The week of May 6-12 was recognized as National Nurses week, and the week of June 9-16 was recognized as Nurse Assistant week. We are thankful for our nurses and aides and celebrate the important work that they do.

Nurses and Aides at the Haven

Here at the Haven, we have an awesome team of caregivers compiled of nurses and aides. We have seven full-time nurses and six full-time aides. Together, we provide exceptional care for our patients who are either guests for GIP reasons or for a respite stay. Two of our nurses are certified in Hospice and Palliative care. Not only do we provide medical care, but also emotional support for patients, friends, and family members. This team takes pride in our facility, services provided, and maintaining comfort and dignity throughout a person's visit. We are honored to have the opportunity to take part in an individual's transition, while providing support for the patient and family as a whole. The Haven would like to recognize this team for their commitment and spectacular performance. Happy Nurses Week (5/6 - 5/12) and Happy CNAs Week (6/9 - 6/16). Thank you for all you do!!

Chaplain's Corner

Hello, my brothers and sisters in Christ! I pray that the peace of God be with each of you every day. I want to share about the glory of God and our purpose in this life. I can't stress the importance of us grasping this! Learning this will bring you peace as you have never known.

Every moment we are here we should bring glory to God. Whatever you are facing, no matter how bad things may be, God has called us to bring glory to Him. The Lord gives us strength to be able to do this, and it's only through His grace that it is possible. Jesus said to His Father in John 17: 4 "I brought glory to you here on earth by doing everything you told me to do." As I looked deeper in how to bring glory to God, I found four ways that will always bring that glory.

First, worshipping The Lord will bring glory to God if we are motivated by love, thanksgiving, and delight - not out of duty. Worship is far more than praising, singing, and praying; it is a lifestyle. When we use our life for God's glory, everything we do can become an act of worship.

Secondly, we bring glory to God by loving each other. It is our responsibility to learn how to love as God loves, because God is love, and it honors Him. Jesus said in John 13:34-35 "As I have loved so you must love one another. By this all men will know that you are my disciples, if you love one another."

Thirdly, we bring God glory by telling the world about Him. Once we know the truth, he wants us to share that truth with others. Jesus said in John 8:32 "You will know the truth and the truth will set you free." He wants everyone to be set free from the laws of sin and death!

Lastly, being like Christ will always bring glory to God. God wants us to grow spiritually. We must strive to become spiritually mature Christians. Becoming spiritually mature is thinking, feeling, and acting like Christ in every situation. In 2 Corinthians 3:18 "As the spirit of The Lord works within us, we become more and more like Him and reflect his glory even more." Let us ask ourselves, am I bringing glory to God? What would Christ do in this situation? Am I really worshipping The Lord every day? With whom have I shared the Truth ? Have I shown the love of Christ to everyone with whom I have come in contact?

P.S. I would like to take this opportunity to thank all of the churches that have allowed me the privilege of speaking to their congregations about the services offered by Richmond County Hospice. If you would be interested in having me speak with your congregation, please contact me 910-997-4464 or cthorton@rchospice.com

P.P. S. Hospice Sabbath is closely approaching. Please mark your calendars in November.

LIGHT OF LIFE SPRING 2016

The Bi-Annual Light of Life Memorial Celebration was held on Tuesday, May 17th at 6:00pm at the Church of God of Prophecy in Hamlet. This Bi-Annual event is held as a remembrance ceremony for families served by Richmond County Hospice, Inc. who lost a loved one over the past six months. Families of our community are also invited to attend. The evening gave families a time to celebrate the lives of those no longer with them. During the service, family members took part in a reflection ceremony by lighting a candle to commemorate the life of the deceased loved one. In addition, families enjoyed special music and an inspiring message by Pastor Crews. Following the memorial celebration, Richmond County Hospice, Inc. hosted a catered dinner in the church's fellowship hall.

Richmond County Hospice, Inc. recognizes that grief can often times create a dark and sad place for individuals to overcome. The Light of Life Memorial Celebration provides an opportunity for families to bring light into their lives and take peace and comfort in the celebration of those who have gone before them.

Richmond County Hospice, Inc. provides families with the opportunity to attend grief support groups in recognition that each person's journey through grief is different, but together, families can help each other through it. The support groups are open to the community, as well as offered to our hospice families. Richmond Memorial Park and Richmond County Hospice, Inc. co-facilitate a monthly grief support group.

The group meets the first Saturday of each month at 10:00 am at the Hospice Haven. (Dates are altered during the months of January and September.) The group is open-ended and typically meets from 10 am to 11am with light refreshments served. The group provides support and encouragement to one another during their journey through grief. Remaining dates for 2016 include Sept. 10, Oct. 1, Nov. 5, and Dec. 3.

The second grief support group is held at East Rockingham Senior Center on the second Tuesday of every month. The group meets at 2pm. This group began four months ago in hopes of providing support to the seniors in our community. Remaining dates for the 2016 group include Sept. 13, Oct. 11, Nov. 8, and Dec. 13.

If you have questions about the grief support groups, please contact Sandy Black, Bereavement Coordinator of Richmond County Hospice, Inc., at 910-997-4464.

What's Happening

GARDEN SOLAR LIGHTS

The Haven has been the blessed recipient of many donations since our doors opened in 2012 as the General Inpatient Unit. In June of this year, a donation was made to the Haven in memory of Thomas Rankin. Phyllis and Ed Kinard donated 24 Copper and glass garden solar lights. These lights have been placed around the front of the Haven to provide light in the evening. The family thought this would be a beautiful remembrance to see the glowing of the lights as a reminder of their loved one and others who have passed at the Haven.

If you happen to be in the area in the evening, take the opportunity to drive by the Haven and see the lights aglow.

THE WEEPING ANGEL

Richmond County Hospice was blessed to receive a beautiful statuary angel for our "Walk to Remember" memorial garden from Carolina Finest Fountains & Statuary.

Donated by Wilma and Charles Spencer with in memory of Wilma's brother, this statue brings comfort to those who use the walking path.

Our walking path is open to all members of our community- come see this beautiful addition.
